Dear Brilliant Peeps:

YAHOO!! THIS TRIAL WAS CONTINUED!! Please tear up your summonses for 9.14.2011. I was granted a continuance to 10.26.2011 for trial. Your testimony will be needed on or about Nov. 1 or Nov. 2, whatever fits in your schedules. You will be pleased to know that one of the classes is titled, "Working with your Crime Lab: Case preparation and Predicate Questions". I'm sure you will be interested to see what the National District Attorney's Association suggests that we ask you for predicate questions.

Oh yes, did I mention that the conference is in Las Vegas????? POOR ME!!!

I have no vacation plans in the near future. I have other summonses scattered over the next couple of months. As you know, there is a great fluidity to the actual call to appear for any given summons. Do you need the array of other summonses to conduct your request for a continuance?

Darlings:

This case is scheduled to begin Tuesday April 19th. The clerks office just contacted me and told me that I "am the only show in town". The clerk also told me that he believes that I will empannell on Wednesday April 20th. Therefore, I will need you Friday the 22nd. I heard the judge will be flexible with me. Is the 25th or 26th better for you?????

Please let me know. THANK YOU!!!!!!!!!!!!!!

Smooches,  
Debi Payton
